We've created a dynamic **global streaming Reggae radio station** and a unique strategic marketing approach to generate sustainable growth for independent Reggae artists and savvy business owners.

Our radio station and social media network captures the attention of an ever-expanding audience, through positive, edutaining, and highly targeted programming that inspires **peace, love, and unity** amongst mankind as well as natural and sustainable living.

We want to inform you that we now have affordable **SPONSORSHIP** opportunities available for brands like yours!

Sponsoring our radio station or one of our radio programs will grant you exposure to a new audience and align your brand with certain causes, values, and beliefs. Instead of just a traditional commercial break, your business is branded within our radio station's programming, providing increased awareness of your brand to our listeners.

By sponsoring, your business will be branded within every hour of 24 hours daily programming, or every time our station plays that particular program or segment.

It's an interactive way to get your business in front of our listeners that doesn't even seem like advertising.

We also promote our sponsors on our social media feeds and stories, which reach hundreds of thousands of our loyal supporters every day. Additionally, we mention our sponsors when we promote the radio station and particular programming or segments.

Plus we include our sponsor's logo and website URL or social media handle on all **Rastafari JAMS Reggae Radio's** digital & print promo material, as well as on our brand's website at RastafariJAMS.com
